### Tasting Notes

Fruity, spicy, flavorful and complex: these words can be used to describe each vintage of Ame de la Vigne, and this 2019 blend continues the trend. On the nose, complementary layers of dark cherry, black plum and cognac emerge. The powerful yet pleasantly smooth palate boasts currant, raspberry, baking spices and vanilla with a long-lasting toasted oak finish.

### Winemaker's Production Notes

This Rhone-style blend is created by harvesting the grapes on the day that optimal maturity is attained for each of the varieties. The grapes are co-fermented and the resulting wine is aged in hogshead barrels. As a result, the flavors are harmonious, the tannins are smooth and the oak integration is gentle.
