Tasting Notes

Sweet honeysuckle notes with Bartlett pear and tangerine peel introduce this delicious bottling. Pear follow to the palate with cantaloupe and Granny Smith apple. Bright acidity with a smooth mouthfeel carries vanilla pastry cream and toasted almond flavors through the finish.

Winemaker's Production Notes

Continuing Le Vigne's tradition for the Barrel Select Viognier, this wine was fermented and aged in select neutral French oak barrels. Through partial malolactic fermentation, the full bodied mouthfeel and creamy texture formed while maintaining crisp and refreshing flavors.

Suggested Food Pairing

Pan seared buttery scallops with forbidden black rice.
