Tasting Notes

Rosehip, pomegranate, cinnamon stick, cola, and a hint of orange rind and cigar leaf set the stage for a multilayered mouthfeel, running the gambit from black cherry to black currant, cocoa powder, and chai spice with a lengthy, dark rich finish.

Winemaker's Production Notes

Both varietals came from the same block off our Domenico Estate vineyard. We co-fermented these two varietals together in addition to the inclusion of dried stems. This wine also benfited from a healthy native fermentation.
