Alcohol:	13.4% ABV
Residual Sugar:	0.20 g/L
Aging:	100% stainless steel fermented and aged
Vegan Friendly:	No animal by-products were used in fining or filtration of this wine

TASTING NOTES

Opening with lemongrass, peach, and honeydew forms a vibrant and melon-like freshness. On the palate dragon fruit adds exotic complexity, while fresh cut lavender brings an elegant and aromatic touch, harmonizing seamlessly with fruity notes that conclude with a rich mouthfeel and crisp finish

WINEMAKER'S PRODUCTION NOTES

We wanted to retain the grape's fruitiness so we fermented it at low temperatures, which maximizes its fruit potential. Our Domenico Estate Vineyard has ideal conditions for producing an expressive and balanced Sauvignon Blanc.

SUGGESTED FOOD PAIRING

Oysters on a half shell with a champagne mignonette
