This easily enjoyable bottling shows sarsaparilla, blueberry, pomegranate, black pepper and forest floor on the nose. The flavors are equally as diverse as the bouquet with tart cherry, vanilla, boysenberry and nutmeg. It will pair well with many styles of food.

#### WINEMAKER'S PRODUCTION NOTES

This wine is estate grown, produced and bottled at a family-owned winery and vineyard. The same family has overseen the operations for over 40 years. The extended fermentation shows the beauty of the Paso Robles vineyard. A combination of French and American oak is used to strike a balance between the characteristics that each type has to offer.
