Aging:	100% stainless steel fermented and aged
Vegan-Friendly:	No animal by-products were used in the fining or filtration of this wine

TASTING NOTES

For the fourth consecutive year, this 100% Rosé of Sangiovese was produced in a classic French style. Scents of fresh strawberry introduce notes of ripe watermelon with a crisp finish reminiscent of a ruby red grapefruit.

WINEMAKER'S PRODUCTION NOTES

This delicate yet vibrant rose was picked at night and transported to the winery to be pressed as soon as possible to obtain the color and flavors we desired. We then followed with a classic approach for fermentation using a variety of yeast strains known for enhancing aromatics and varietal characteristics.

SUGGESTED FOOD PAIRING

Grilled calamari or octopus
