TASTING NOTES

This well-rounded blend offers a diverse bouquet of blackberry, plum, freshly-picked dill and blanched almonds. The fruity notes transfer to the palate along with vanilla bean, dark chocolate and allspice. The bright acidity will complement a wide variety of cuisines.

WINEMAKER'S PRODUCTION NOTES

This wine is estate grown, produced and bottled at a family-owned winery and vineyard. The same family has overseen the operations for over 40 years. The extended fermentation shows the beauty of the Paso Robles vineyard. A combination of French and American oak is used to strike a balance between the characteristics that each type has to offer.

SUGGESTED FOOD PAIRING

Pairs well with pork tenderloin
